CHARTER SQUARE INCIDENT, RALEIGH, NC

Concord, NC – Janna Juba Riley today released the following statement on the tragic loss of 2 Jannawall employees yesterday in Raleigh at the Charter Square Project:

“The Jannawall employees who lost their lives yesterday were part of our extended family, and their loss is heartbreaking. The families and loved ones of those employees are in our thoughts and prayers.”

While the details of the incident remain under investigation, we are working closely with the contractors and local authorities to ensure the safety of all our employees. Our prayers and thoughts are with everyone affected by this incident.

### JANNAWALL Inc. is woman-owned business and an installer of high performance exterior glass and glazing systems and other related products for the commercial building industry in the Southeastern United States.
